# Custom-Made Rollshutters

## Privacy. Security. Convenience.

Attractive EuroLine Rollshutters provide privacy, security, and convenience. Externally-mounted rollshutters are available with manual, motorized or remote controlled operation. EuroLine rollshutters provide security that is especially important for unattended or ground floor applications, and rollshutters quickly allow a room to be darkened for home theater enjoyment.

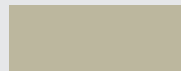

EuroLine's externally mounted rollshutters are custom-made to guarantee a perfect fit in just about any size. They are available with manual operation or motorized with optional remote control. EuroLine rollshutters are also available with a programmable timer to open and close your rollshutters at regular or irregular intervals so that it looks like you're home when you're actually away or out of town.

### Choose from four decorative colors

White

Beige

Brown

Grey

*Colors shown are approximate – see rollshutter color samples for accurate color selection.*

*Open slightly as a partial sun shade*

*...and privacy*

*...or fully closed for extra security*

*Optional remote control for rollshutters*

*(Note: optional remote-controlled retractable insect screen hidden in the overhead housing unit)*

# AN ATTRACTIVE WAY TO PROTECT YOUR WORLD

## Popular in Europe... and a Growing Trend in North America

### Some Simple Facts About EuroLine Rollshutters

- Provide added security when closed and improve thermal insulation by up to 25%
- Almost completely eliminate solar radiation that can fade curtains, carpets and furniture
- Muffle outside noise by up to 10 decibels
- Provide privacy by screening from view
- Regulate light conditions

### Includes Two 'Closed' Options

Either leave louvers slightly apart for a secure source of available fresh air or fully closed for maximum security.

### Manual or Motorized Operation

EuroLine rollshutters come with either manual (belt or crank) or motorized operation that can be controlled by a switch or a remote control.

### Custom-Made

Every EuroLine rollshutter is custom-made to fit the precise dimensions of every window. The result: a perfect fit - every time!

### Recommended Uses

An ideal addition to residential and commercial properties, schools or wherever extra security is appropriate. Also an ideal choice when used to darken rooms and protect sensitive artwork and decorative fabrics from sunlight.

EuroLine rollshutters also protect windows and doors from airborne missiles that can occur during violent windstorms as well as provide added protection to an unoccupied weekend property.
