

# FOLDING DOOR CONFIGURATIONS

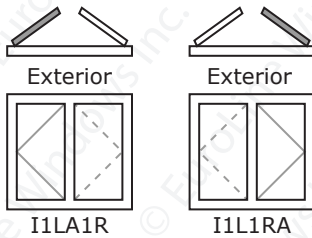

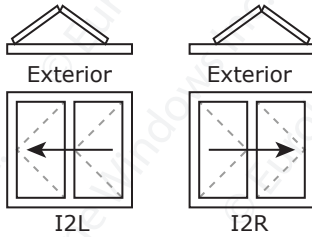

Panels fold to INTERIOR - As seen from EXTERIOR

- ▧ or ▨ indicates active Atlanta QuickLatch handle set with keylock  
Other configurations have VivoShort handles on interior only; doors cannot be accessed from exterior  
For exterior locking and access options on non-QL configurations, consult your sales representative
- Maximum 7 panels stacking one way
- Frames over 20' wide will have connections
- Sizes are heel sizes; add 1" to width and height for RO dimensions
